Dear Mr. Enright:

Please find attached the revised Evaluation Report, Number **13507-R**, for your product "Murphy LVL" amended to reflect the issuance of a Minister's Ruling authorizing the use of your product in Ontario.

CCMC will make the report available to the public immediately and proceed to post it on our CCMC Web Site "Registry of Product Evaluations" (<http://www.nrc-cnrc.gc.ca/eng/services/irc/ccmc.html>) at the next quarterly update.

The continued validity of this report is subject to the terms and conditions of the evaluation contract.

You may refer to the report using the following phrase: "**CCMC # 13507-R**".

We wish you every success with your building product.
